Did you go to the Open House at the library? It was on the same day as our meeting. I myself was unable to attend but I heard from some of our members that I missed a great day. There were a lot of family display boards. Lawrence BERGERON gave a PowerPoint presentation on finding slave ancestry from the Latter Day Saints. Patty had a class which a lot of people attended. There was a lot sharing and networking between people on their genealogy. The genealogy day was a great success!!
