HAPPY HALLOWEEN

We had a very good discussion at our meeting last month. We talked about home remedies and herbs used for medicinal purposes. Here are just a few herbs used Ginseng to strengthen the central nervous system, fatigue, weakness from disease, & emotional stress. Bay leaf and its berries has astringent, diuretic, appetite stimulant, soothes the stomach & relieve flatulence and colic pain. The oil can to treat arthritis, muscle pain, bronchitis and flu symptoms. Sage is used for digestive problems, gas, diarrhea, bloating, stomach pain, heartburn, depression, memory loss & Alzheimer's disease. Willow bark is used for headaches, muscle pain, rheumatoid arthritis, gout, fever, common cold, and flu & weight loss. Sassafras is used for urinary tract disorders, swelling in the nose & throat, bronchitis, high blood pressure, gout, arthritis, skin problems & cancer. It is also used as a tonic and blood purifier. Mint stops vomiting, cures hiccups, flatulent colic, hysterical depressions, & promotes digestion. These are just a few; there are many, many more remedies.
