The Lafourche Heritage Society Annual History and Genealogy Seminar on Saturday, August 3, 2019 was awesome. Christopher PENA talked about state sanctioned executions during the early twentieth century. Dr. Delores Mercedes FRANKLIN gave a history on the ownership of Rienzi Plantation. Emily ARDOIN talked about how to have your house added to the National Historic Register and the significance of doing so and encourages the preservation of historic sites and buildings, such as plantation homes, lighthouses, ships, schools, theaters, hotels and sites. Leonard Smith III's talk named What's Your Story? And what a heartfelt presentation it was. He showed us how to take your family photos & after you have researched their lives tell the person's story digitally while showing their photos. This was an amazing presentation and to really appreciate it you would have had to see it for yourself because my words cannot give it justice. I was in awe after seeing and hearing a story like this. Thank you Lafourche Heritage Society for an awesome seminar.
