I hope everyone has been safe through this pandemic. It looks like it will be a long time before we see the end of this pandemic. Just when we thought things were starting to open up, the numbers of cases are increasing, so it looks like it will be a while before this ends. Stay safe. Remember to wear a face covering because it protects us and we will wear our face covering because it protects you.

#### **CONGRATULATIONS**

We want to congratulate Judith Soniat on her retirement from the Terrebonne Parish Library. She has been such great help for all of us in the genealogy department. She has tried to get all the things we needed to help us with our genealogy research in the genealogy department. If we had genealogy book suggestion she worked hard to make sure we got the book we needed for our research. She will be greatly missed. Good luck Ms. Judy on your retirement.

The new reference supervisor is Rachel LeCompte. We are looking forward to meeting her hopefully as soon as we are able to have our next genealogy meeting. She sent me an email introducing herself and said she will have some big shoes to fill. She will do everything she can to keep up with what Ms. Judy did for us.
