Because of so many people having to rebuild, replace or repair their homes due to Hurricane Ida, including myself, we have decided to postpone all meetings until January 2022. The main library has also canceled all meetings until January 2022. Sorry for this inconvenience. I hope you all understand.

I was not able to type or print the newsletter last month because I did not have power or internet service. Therefore we did not have a newsletter for September. Sorry for this inconvenience. But Hurricane Ida did some major damages to Terrebonne Parish and the surrounding parishes. It will be a long recovery for us here in the Bayou Region.

If you have any news for the newsletter, please send it to me by email or regular mail. I never realize just how much I used the internet; it was a difficult time to try to get any work done without it. I am so sorry for us who rely on the electronic world. So many businesses have not reopened here in Houma, like Office Depot, who we rely on for all our printing. We apologize for any delay we may have in contacting you or sending you the newsletter.

Our Life Lines Fall/Winter Issue for this year will be delayed. Sorry again.

I was not able to update our website due to no internet service. Sorry for this inconvenience. I will be working on getting that done this month.
