What do you think about Terrebonne Genealogical Society?

What will be the future of TGS? Close down or continue with modifications. Our discussion from the last meeting is that two key officers will not run again for their position at our next election. We will need to replace these two positions for us to remain operational. Members want us to remain operational but are not willing to step up to become officers of the Society. We cannot continue to operate as usual; we will need to make some changes. Please let us know some of your ideas to increase membership, changes in the actual meeting itself, forming more committees, etc. We want TGS to be more enticing to people. One of things we talked about is possibly offering services at the meeting, adding more time for the speakers to speak. Our Life Lines Journal has been one thing that has kept us going for so many years, but now we don't have many people sending in material/articles to put in the journal. We have already reduced printing to twice a year instead of 4 times a year and it seems that we are getting less still. We are asking for your help to keep TGS going.

## RENEWAL TIME
