Wow! Is all I can say about Philip Whitney's presentation on his DNA research and chromosome matches. It was a lot to take in at one time. Philip also gave us some of his favorite research websites. They are familysearch.org, fastpeopleseach.com, google.com, findagrave.com, wikitree.com, myheritage.com. Wanda brought her family tree board for show and tell. We had a great time. The meeting in March will be the swearing-in of the new board and officers. Jess Bergeron has decided to retire, and he is looking for someone he can show how to take over for him. Please give this some consideration and let us know if you are interested.
